Benden Farms, the 3,000 acres of family farm owned and operated in the Sacramento Valley by Ben Carter, WG'83.

ciate any leads.

**Achim Neumann** is happy to announce that his firm has expanded operations. During this time of industry contraction, he reports that the firm been profitable and is one of only a few reputable mergers and acquisitions and business brokerage firms left in New Jersey. Additionally, they are expanding into southern New Jersey, as well as Bucks and Montgomery counties in Pennsylvania.
